We are customers of Duke Power.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I believe that a 17 percent increase in residential electricity rates is outrageous especially during these economic times. Groceries and gas along with everything else is killing us already and forcing a 17 increase on customers that have no other choice but to purchase power from Duke Power is wrong.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
